## Knitting Circle

Some sad news: Jean Murray, a founding and loyal member of our group, passed away early Sunday morning. Until recently, Jean managed our phone list, calling members who don't have email to alert them of our meetings. We will have a moment at the beginning of our meeting to remember Jean.

Last month, 27 enthusiastic knitters and crocheters braved a nasty winter day to hear Jeanene Luckhart describe her volunteer work with Canadian Food for Children. She thanked us profusely for the thousands of hand knit and crocheted blankets, vests, hats and toys we have contributed to the charity's work in 17 developing countries. "I tell everyone about your group," she said, "and especially describe the incredible colours and designs you produce."

Looking forward to seeing you on **Saturday Feb 10**, as we all brave this never-ending winter with stories, coffee and an appreciation for each other. We forgive those who have to miss the meeting because they are sitting on a beach. There will be snacks to warm us up!

Every stitch counts, Pat Davies
