June 9 *Spirit of Compassion*: Pentecost Sunday

It's a revelation!

A six week worship series exploring the book of Revelation: beginning on Sunday June 16, 10.30 am.

"You Christians look after a document containing enough dynamite to blow all civilisation to pieces, turn the world upside down and bring peace to this battle torn planet. But you treat it as though it is nothing more than a piece of literature" Mahatma Gandhi

Knitting for Shivering Children

The "Knitting for Shivering Children" group, based at Beach United Church, knits vests, sweaters, blankets, hats and toys for children living in impoverished countries that get cold at night. The knitting offers comfort and protection against respiratory diseases that spread in these conditions. All the creations are donated to the charity, Canadian Food for Children, which ships to 22 countries around the world.

On Sunday, May 12 the knitting and crocheting was displayed in all its glory to be blessed and admired. In June, it will be loaded into cars and taken to Mississauga, where the depot for Canadian Food for Children is located.

This year the totals were: 727 sweater/vests, 173 hats, 223 blankets, 172 toys. The grand total was an amazing 1,295 items, made with love by volunteers for children around the world.

Spring Fling-An Update

The first Spring Fling Variety Show was held on May 10th by the Beach United Church choir and talented congregation members. It was an evening of jokes, skits, songs, and laughter, with an amazing time had by all. Refreshments and baked goods, prepared by members of the congregation were available throughout the show, with many attendees catching up with friends, or meeting new people in the Beaches community. The event was also a very successful fundraiser for the church — thank you to everyone for their generosity. We can't wait to come up with another spring show next year — stay tuned!

Support Fred's Walk to Do Something about Homelessness

Fred Victor Centre has been working in the downtown core of Toronto for more than 125 years.

From its early years as a “soup kitchen for displaced persons” Fred Victor has grown to become a large social service charitable organization that fosters long-lasting and positive change in the lives of many homeless and low-income people living across Toronto.

Every day, Fred Victor serves more than 2,000 people using programs and services, located at 20 different locations across Toronto, including:

- Affordable housing
- Transitional housing
- Shelters and Emergency Respite Centres
- Access to nutritious food
- Job training and counselling
- Health information and community services
- Community mental health outreach, and
- Other specialized support programs.

While Fred Victor receives government funding for many of its programs, they continue to depend, to a significant extent, on the generous support of churches and community members.

On June 7, Beach United Church is contributing to the work of Fred Victor Centre through participation in Fred's Walk. Members of the BUC team will take a 7 kilometre guided tour of Fred Victor's downtown sites to see first-hand the work that Fred Victor does.

Support our team and support Fred Victor by making a financial contribution at <https://www.canadahelps.org/en/charities/fred-victor/p2p/freds-walk/team/team-buc/> or contact the Team Captain, Shari Baker, at shari.baker26@gmail.com.
